

Services

REPAIR OF EXISTING OVERHEAD DOORS AND LOADING DOCK EQUIPMENT

Contact us for a quote to return your existing overhead doors and dock equipment into normal operating service. Our goal is not simply provide a quick fix for the problem, but find the root of the problem and solve it.

PREVENTATIVE MAINTENANCE

When overhead doors are damaged and hard to use, employees take out their frustration on the doors only making matters worse. A skillfully planned maintenance program around your companies budget could save money, time, and frustration.

A one time call or scheduled visits...let us know what's best for you! We can custom design a program to fit your needs.

NEW CONSTRUCTION

Contact us for overhead door and loading dock solutions for your new facility. Our goal is to ensure the doors and dock equipment are not only the most cost effective but also the best quality, and are **built to last**. We will analyze your options together to find the best return on your investment.

About Us

GDU has been serving San Diego for over a decade with both residential and commercial services and products. Our residential division utilizes strong partnerships with companies like Costco, Lowes, and Sears in order to provide our customers with unparalleled service and product selection.. With such a strong foundation our Commercial division is an excellent choice for service of your existing facility. With over 45 combined years of experience we are one of the most qualified companies to assist you with your project.

Mission Statement

“Our mission” is to provide extraordinary service, superior products, unconditional warranties, at a competitive price, so our customers will help our business grow.

Products

OVERHEAD DOORS

We are proud distributors of several national door manufacturers including Amarr, Wayne Dalton, and Janus International. We Service all brands of overhead doors and carry all the necessary parts to maintain your facility.

DOCK BUMPERS

We remove the damaged dock bumpers and replace them with new bumpers, we can provide all sizes and types (laminated, molded, steel face). We can install new bumpers for your existing loading docks or they can be purchased for delivery direct to you.

DOCK LEVELER PARTS

We provide parts and service for all major brands of dock levelers. Parts can be shipped directly to you, or we can

Quotes/Consultations

QUOTE

*What's it going to cost? We will provide you with a detailed custom quote that's not only fair, but firm. Once we've agreed on a project no matter how small or large and you've signed the quote, it's a done deal. We do the work when we say we'll do it and we do it right the first time. This is what our company is built on. **We do not charge to provide you with a detailed quote. All quotes are free!***

TIME & MATERIALS

You don't always want a quote, sometimes a repair needs to be done RIGHT NOW. (Friday afternoon just before quitting time or holidays and weekends) You need to be able to depend on a company to come out and get your service performed with the confidence of a fair market price.

CONSULTING

Perhaps your considering a project and you need advice on the most cost effective way to handle your commercial doors. We will be glad to come out and evaluate your companies needs. We will listen to all your concerns. Quick fix, replacement, repair or partial repair? Lets work together to determine the best return on your investment.
